

FIG. 1A

A diagram illustrating a vehicle navigation system. A car, labeled 200, is shown on a road. Two satellite signals, labeled 202 and 204, are shown entering the car. A map display, labeled 206, is shown on the right side of the car. The map display shows a road with a car icon and a distance marker of 100. The car icon is labeled 208. The distance marker is labeled 210. The map display is labeled 206.
